LoveNotes

“ The most important reason I use **Costume Gallery** is peace of mind. No parent or teacher wants a problem for their child or any additional stress when it comes to recital time. After seeing and hearing so many nightmares from teachers and parents about costumes, I am so glad when I hear from my parents that we always have the best costumes and they are always tasteful and age appropriate. I would not order anywhere else and have ordered from **Costume Gallery** for at least 10 years. Thank you **Costume Gallery!** ”
—Lugene Cole, **Amarillo College & The Amarillo Little Theatre**

“ **Costume Gallery's** costumes are dancer and parent friendly—not too revealing and age appropriate. They are of the highest quality and lowest price and made for the 'sewing challenged' parent with everything attached. **Costume Gallery's** customer service is 'second-to-none.' I have never gotten an answering machine (even at crunch time in May), and have always gotten a call back if a message was left after hours. ”
—Pat Randazzo, **Pat's Dance Studio**

“ The online ordering was fabulous! It was so easy to navigate and I loved being able to view the back of each costume. Thank you for helping make the ordering process stress free! ”
—Jamie Calvillo, **Dance Moves & Gymnastics**
